The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Iron Ridge in Fiscal Year 2027 for wastewater treatment facility upgrades. The entity to receive funding for this project is located at P.O. Box 247, Iron Ridge, WI 53035.

The funding would be used to upgrade the Village's aging, lagoon-based wastewater treatment facility with a modern mechanical wastewater treatment facility. The project is an appropriate use of taxpayer funds because it will improve treatment efficiency, enhance nutrient removal capabilities, and ensure continued compliance with environmental regulations, all while providing clean water to the Village of Iron Ridge and the neighboring town of Herman. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act (33 U.S.C 1381 et seq).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Scott Fitzgerald".
