The Honorable Rosa DeLauro
Ranking Member

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Neosho in Fiscal Year 2027 to restore essential infrastructure, protect public safety, and reinstate critical community benefits through replacement of the Mill Pond dam. The entity to receive funding for this project is the Village of Neosho, located at 210 Schuyler Street, Neosho, WI 53059.

The funding would be used to construct a new, safe, and reliable dam that will reestablish the Mill Pond and return the site to full operational use. The project is an appropriate use of taxpayer funds because it preserves a long-standing public asset, prevents more costly future damage, protects the local economy supported by the pond and park, and ensures that environmental, recreational, and public safety benefits remain available for future generations. The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Scott Fitzgerald". The signature is stylized and cursive.
