Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Pewaukee in Fiscal Year 2027 for drinking water compliance. The entity to receive funding for this project is located at W240N3065 Pewaukee Road, Pewaukee, WI 53072.

The funding would be used for planning, engineering, and evaluation work related to the City's efforts to develop a new drinking water supply to meet federal drinking water standards. The project is an appropriate use of taxpayer funds because it will provide a safe and resilient drinking water supply, which is critical to the health, economic stability, and long-term growth of the City of Pewaukee. The project has a federal nexus because the funding provided is for purposes authorized by the Safe Drinking Water Act (42 U.S.C. 300j-12)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Scott Fitzgerald". The signature is written in a cursive style.
